

Aiden A. Brees

Phone: (831) 278-1124 | Email: aiden.brees@wsu.edu

SUMMARY OF QUALIFICATIONS

- Algebra and algebra-based physics background.
- Aluminum and steel fabrication.
- MIG welding.

EDUCATION

Expected Graduation Date

May, 2027

3.59 GPA

SKILLS

Aluminum fabrication, steel fabrication, welding, experimental design.

PROJECTS

- Ford Falcon engine replacement.
- Ford F350 intercooler fabrication.
- WRX clutch and transmission replacement.
- Volkswagen beetle exhaust and intercooler fabrication.

EXPERIENCES

- Oil changes.
- Transmission changes.
- Clutch changes.
- Tire changes.
- Turbocharging/supercharging plumbing and installation.
- Carburetor tuning.
- Engine building.
